WORK DAY

SEPT. 21 & 22

Fellow 5 Dogs Creek Members,

It was a wonderful day in September for our work party, and then some of the members came back for more in October! It wasn't too hot and we got lots done.

You will notice the roof on Bay 2 is now secure and the 'hallway' on Bay 7 has a new roof that is slanted so rain will run off. The bays and common areas were weeded and raked. And you can now dance, sing, play music, or even hang out on the stage. There was an awesome crew that spent two weekends working on the stage.

I can't thank everyone enough for everything they did. The range cannot be maintained without the members willing to spend their time helping out. If you weren't here you missed a lot of fun because everyone made it fun. If you weren't there, be there at the next work party because we need all the help we can get, there's so much to do at the range.

I want to especially thank Just Shooting Steve and Nervous Nellie for their many trips to Home Depot because the Range Wrangler has no clue as to what she's talking about! Thank you to Just Shooting Steve, Panhandle Red, Bull MacFearson, Nervous Nellie, Domino Blaze, DB Hawk, and Utah Blaine for coming out both weekends to get the stage finished and more raking done.

Thanks,
Lap Dog

Sheriff's Log

Howdy All,

Last month's match was written by Utah Blaine, everyone had a great time. Utah used all ten bays so there was a lot of different scenarios in play. Utah wasn't at the range for the shoot but we were all thinking about him. I'd like to thank Utah for writing and setting the stages.

This month's match She-Bang is being put on by the ladies of 5 Dogs Creek. Every one of the ten stages were written by one of our lovely lady's. I've received all of the stages and it looks to be a good time. All the stages were something they wanted to shoot or a stage taken from a match they really enjoyed. Remember to thank our ladies for their efforts in putting on and setting up the match. I can easily say there will be no ropes needed this month, so come out and enjoy the match.

There will be a team shoot right after the match, the stage was stolen by Miss Barah Lee Misditt, I believe from the North and South Dakota State Championship.

Drive safe and we hope to see a lot of you folks there.

Mad Dog Draper, Sheriff

THE MAYOR'S CORNER.

Greetings,

I am very excited about this year's "She Bang". The weather is going to be great. The ladies of 5-Dogs have written some terrific stages and I hear there might be some spiders leftover from Halloween.

Saturday will be busy with several shooting events, games, and a potluck dinner. I figure the best way to enjoy this match is to grab a friend or two and camp out at the range, so you don't miss a thing.

Be sure to buy your "Dog Nabbits." The proceeds from Dog Nabbits are donated to the Shriners and Dog Nabbits can help you in the match.

5-Dogs is the place to be November 2-3, shooting and more shooting, Dog Nabbits, food, friends and the best weather in the state... this is going to be a great weekend. See you there!!!!
