The Howler at 5 Dogs

Mayor's Blog

New Hours

We are no longer changing our hours with the time change at 5 dogs . From now on we will open for registration at 8:00 - 8:30 followed by a shooters meeting, then start shooting at 9:00 . This will be year around.

This months match was put on by Madd Trapper of Rat River. He wrote a great match, especially if you were a Gunfighter. Lap Dog, our range wrangler, had the whole place decorated for Halloween. She even had the targets painted for Halloween! Also a big thank you to her and her crew for all the work thats been going on at the range. It looks great!

Next months match is being put on by all the ladies of 5 dogs. This is always a lot of fun. Hope to see you there.

We are going to have a town council meeting December 5th after lunch and reading of the scores. This meeting is open to everyone who wants to stay. We value your input. If you have any concerns or ideas please let a member of the town council know before the meeting.

Reminder: Membership Renewal due on January 1, 2021.

See you all December 5th.

Howdy All

Due to Covid 19 restrictions, Our November Second Amendment Protest Gathering was put on by Mad Trapper of Rat River. It was a fun time, to say it was Gunfighter friendly might be an understatement. Thank you Mad Trapper for a great time.

Due to Covid 19 Restrictions we are unable to have our yearly She Bang event with the raffle, pot luck and social gathering. Our December Second Amendment Gathering will be doing what I'm unofficially calling The Ladies of 5 Dogs Creek Protest. Our lovely ladies of 5 Dogs wrote the stages some over achievers wrote two. Lap Dog took the lead on getting everyone together and getting things done. I have read most of the stages and they look fun and pretty fast. I'd like to thank Lap Dog and all the ladies of 5 Dogs Creek that took part.

See you at the range

ODE TO JESS

Shooting clean: that was his forte,
His name: El Alacran del Norte.
His chili was spicy and always the best
And now he's gone to his eternal rest
With all the cowboys that have gone before, El Alacran
will shoot no more.

Jess lived the motto, "do no harm"
He leaves behind his dear Foxie School Marm. His
shooting was clean, slow and steady
And with a joke he was always ready.
Jess is with us, so as we go forth Let us all remember
The Scorpion of the North.

News From Your

Range Wrangler

I would like to thank Wandern' Rose and Miss Barah Misditt for their hard work putting up the 'curtains' around the stage. So much fun to see Wandern' Rose sitting at her sewing machine on the stage and with concern as Miss Barah Lee Misditt climbed the ladder! We will now have a much warmer place to gather in the winter.

A big thank you to Utah Blaine for his hard work cleaning up the 'scrap yard' behind Bays 3 & 4, there was so much stuff up there from years ago! He says he's still not done and has found lots of different targets to use when he writes the stages, so be ready everyone.

Sam Ootie put sterilant on the bays right before the rain came so they should be looking pretty weed free in the spring. Thank you so very much!

And don't forget to check out the Indian, he is back on the hill watching over us.
